2. Josephine Jeske (NEE-Jacobs)

There is no civil birth record because birth records were burned in Chicago Fire 1871. Her Baptismal Record is from St. Michaels' Church Cleveland Ave. Buried-St. Joseph's Cemetery, River Grove, Ill.

Section V-G162- Bl. 5

3. Frederick Herman Jeske

Death record names "Frederick" as father.

There is a Frederick Jeske listed in various city directories of Chicago from 1870 on-However, when I try to find him in census, have been unable (hoping) to have Herman living with-to verify that he came to U.S.A.

Have a "Frederick" in ~~XXXX~~ 1900 census with a wife "Minmi" and step children Emma Kruger, and her 2 children August & John. This "Frederick" was always listed as a wagon maker & came to U.S.A. in 1870. "Minmi" was second wife married in 1889-Can't find death record for him.

4. Caroline Jeske

There is a Caroline Jeske buried in Wanders Cemetery-died in 1887-9 but they aren't very organized & couldn't find card with all information on her-only index card-Section 9 Row 3 Grave 2 (unmarked)-I've been unable to obtain a civil death record for her-always send a Caroline died 1891. Wrong husband.

Peter Jacobs & Family

Margareth, Maria Ladeven (mother in law) & 2 children came to U.S.A. about 1854 & came directly to Chicago. More then likely there were oth relatives already here or came about same time. There is a John Jacobs listed at same address as Peter as early as 1857.

Peter was a tanner at Chicago Hide & Leather Co. in 1855-61 Gardener from then on.

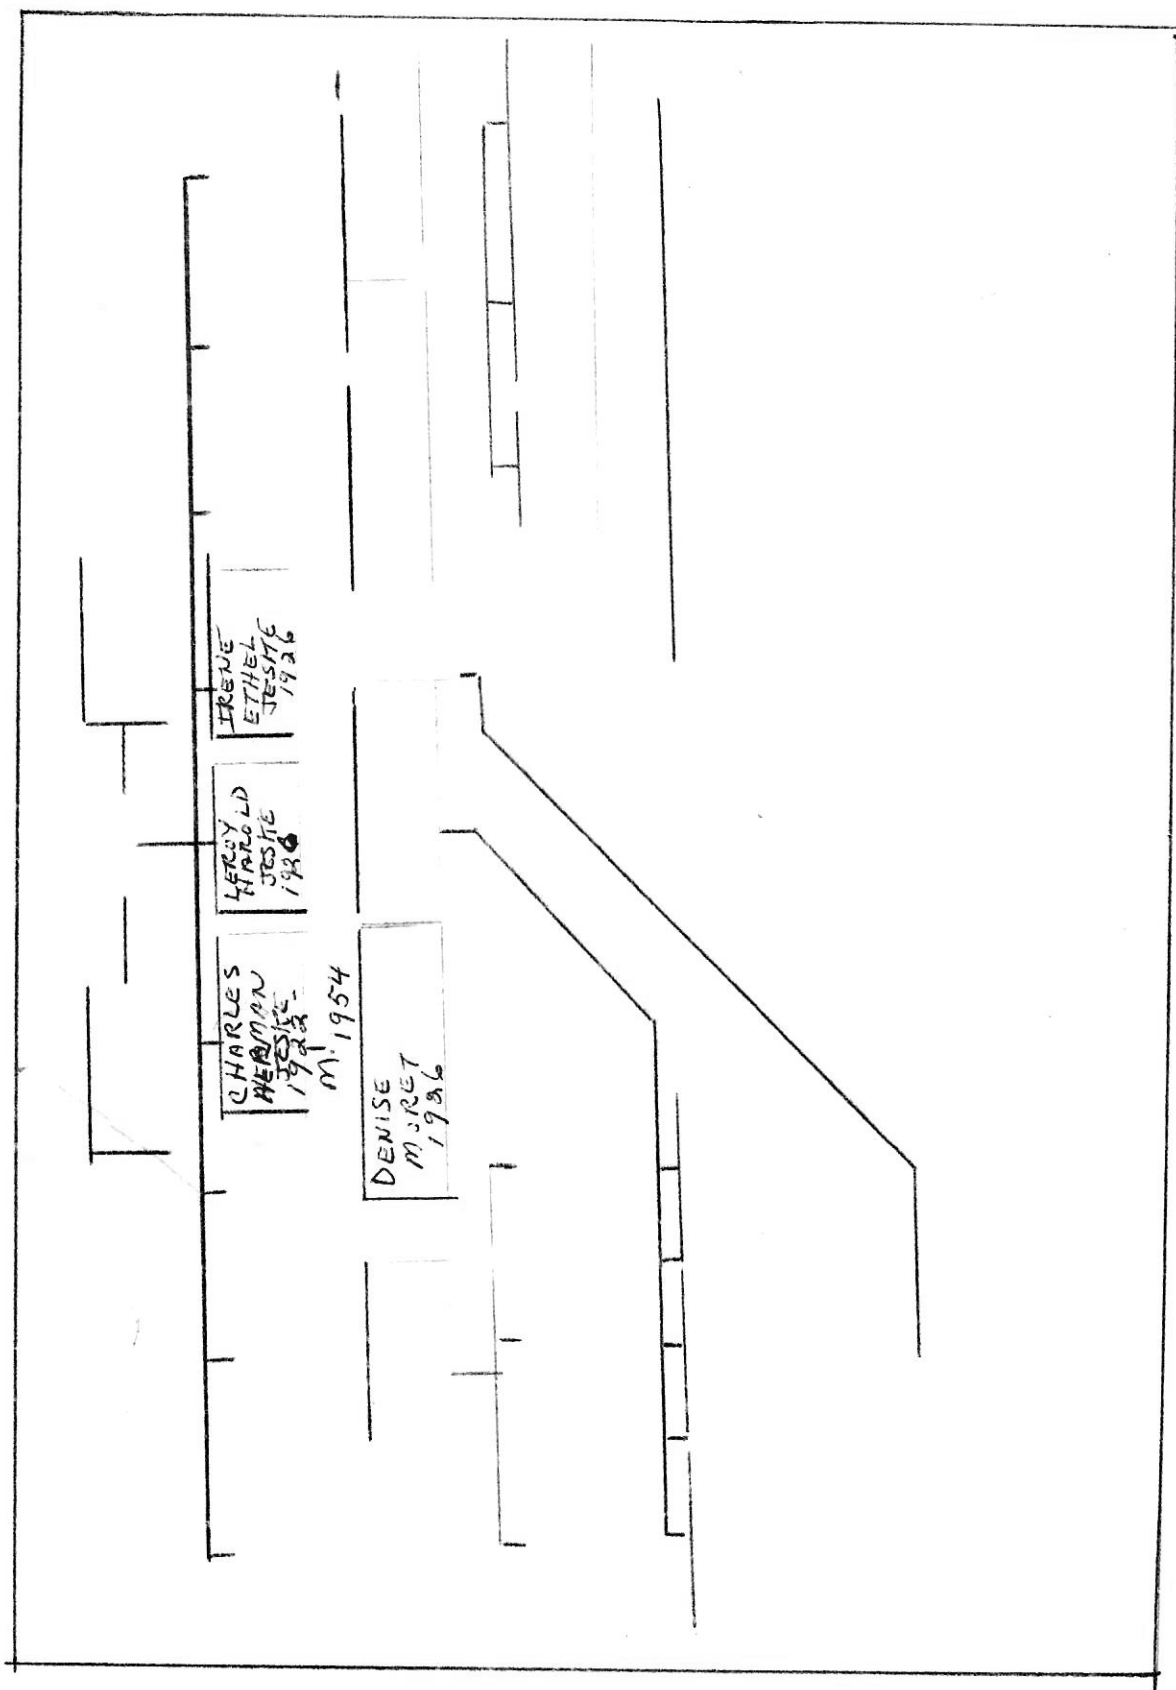

Peter & Family lived at 546 Larrabee (old #'s system, was in effect til 1909)-at least till 1886.

By 1900 Margareth was living with her son Peter at 1023 W. School St. Vera Raredon said she remembers her mother Julie, telling about proper the Jacobs owned where the Wieboldt's Store is on (near School St.) an Ashland St.

NAME OF SPOUSE

PHILLIPPE & His Wife Maria Ladwein & Family

They had 6 known children - 3 of them died as children.

Phillippe was listed in records as a hired laborer.

I have been unable to locate Birth Records for either Phillippe or Maria & hope to find them sometime in some French records--since they would have been born in The Time of Napoleons' seizure of this area. Maria is listed as living with her son-in-law Peter Jacobs in the 1860-70 Census.

Peter & family come to the U.S.A. about 1854 & appears to have come directly to Chicago.

Phillipes' father, Simon, is listed as a blacksmith.

Phillippes' mother, Anna, was married 3 times.--Simon was her second.

Marias' mother, Catherine had at least 8 known children of which Maria was second.

Marias' father Joanes was listed as a farmer.

The records for the next generation aren't very detailed & some were rather hard to read.

Woldisch Trychowo is now TYCHOWKO which is about 5 miles south of
BIALOGARD (BELGARD) KOSLIN PROV. POLAND

The Jacobs branch was one of the first I started on since I had good luck in obtaining records. The German Saarland records were mostly al in Latin which was a help.

I used the Mormon Church record collection for all Germanic records and for the Chicago records the churches were most helpful as were the Newberry Library for newspapers & city directories. The Federal Archives also has a branch center on S. Pulaski in Southern Chicago for Census and Immigration, Naturalization Records.

I still have to recheck some German Jacobs records to fill in all those blanks. It is so time consuming that I feel I'll be doing this for the rest of my life but I love doing it.

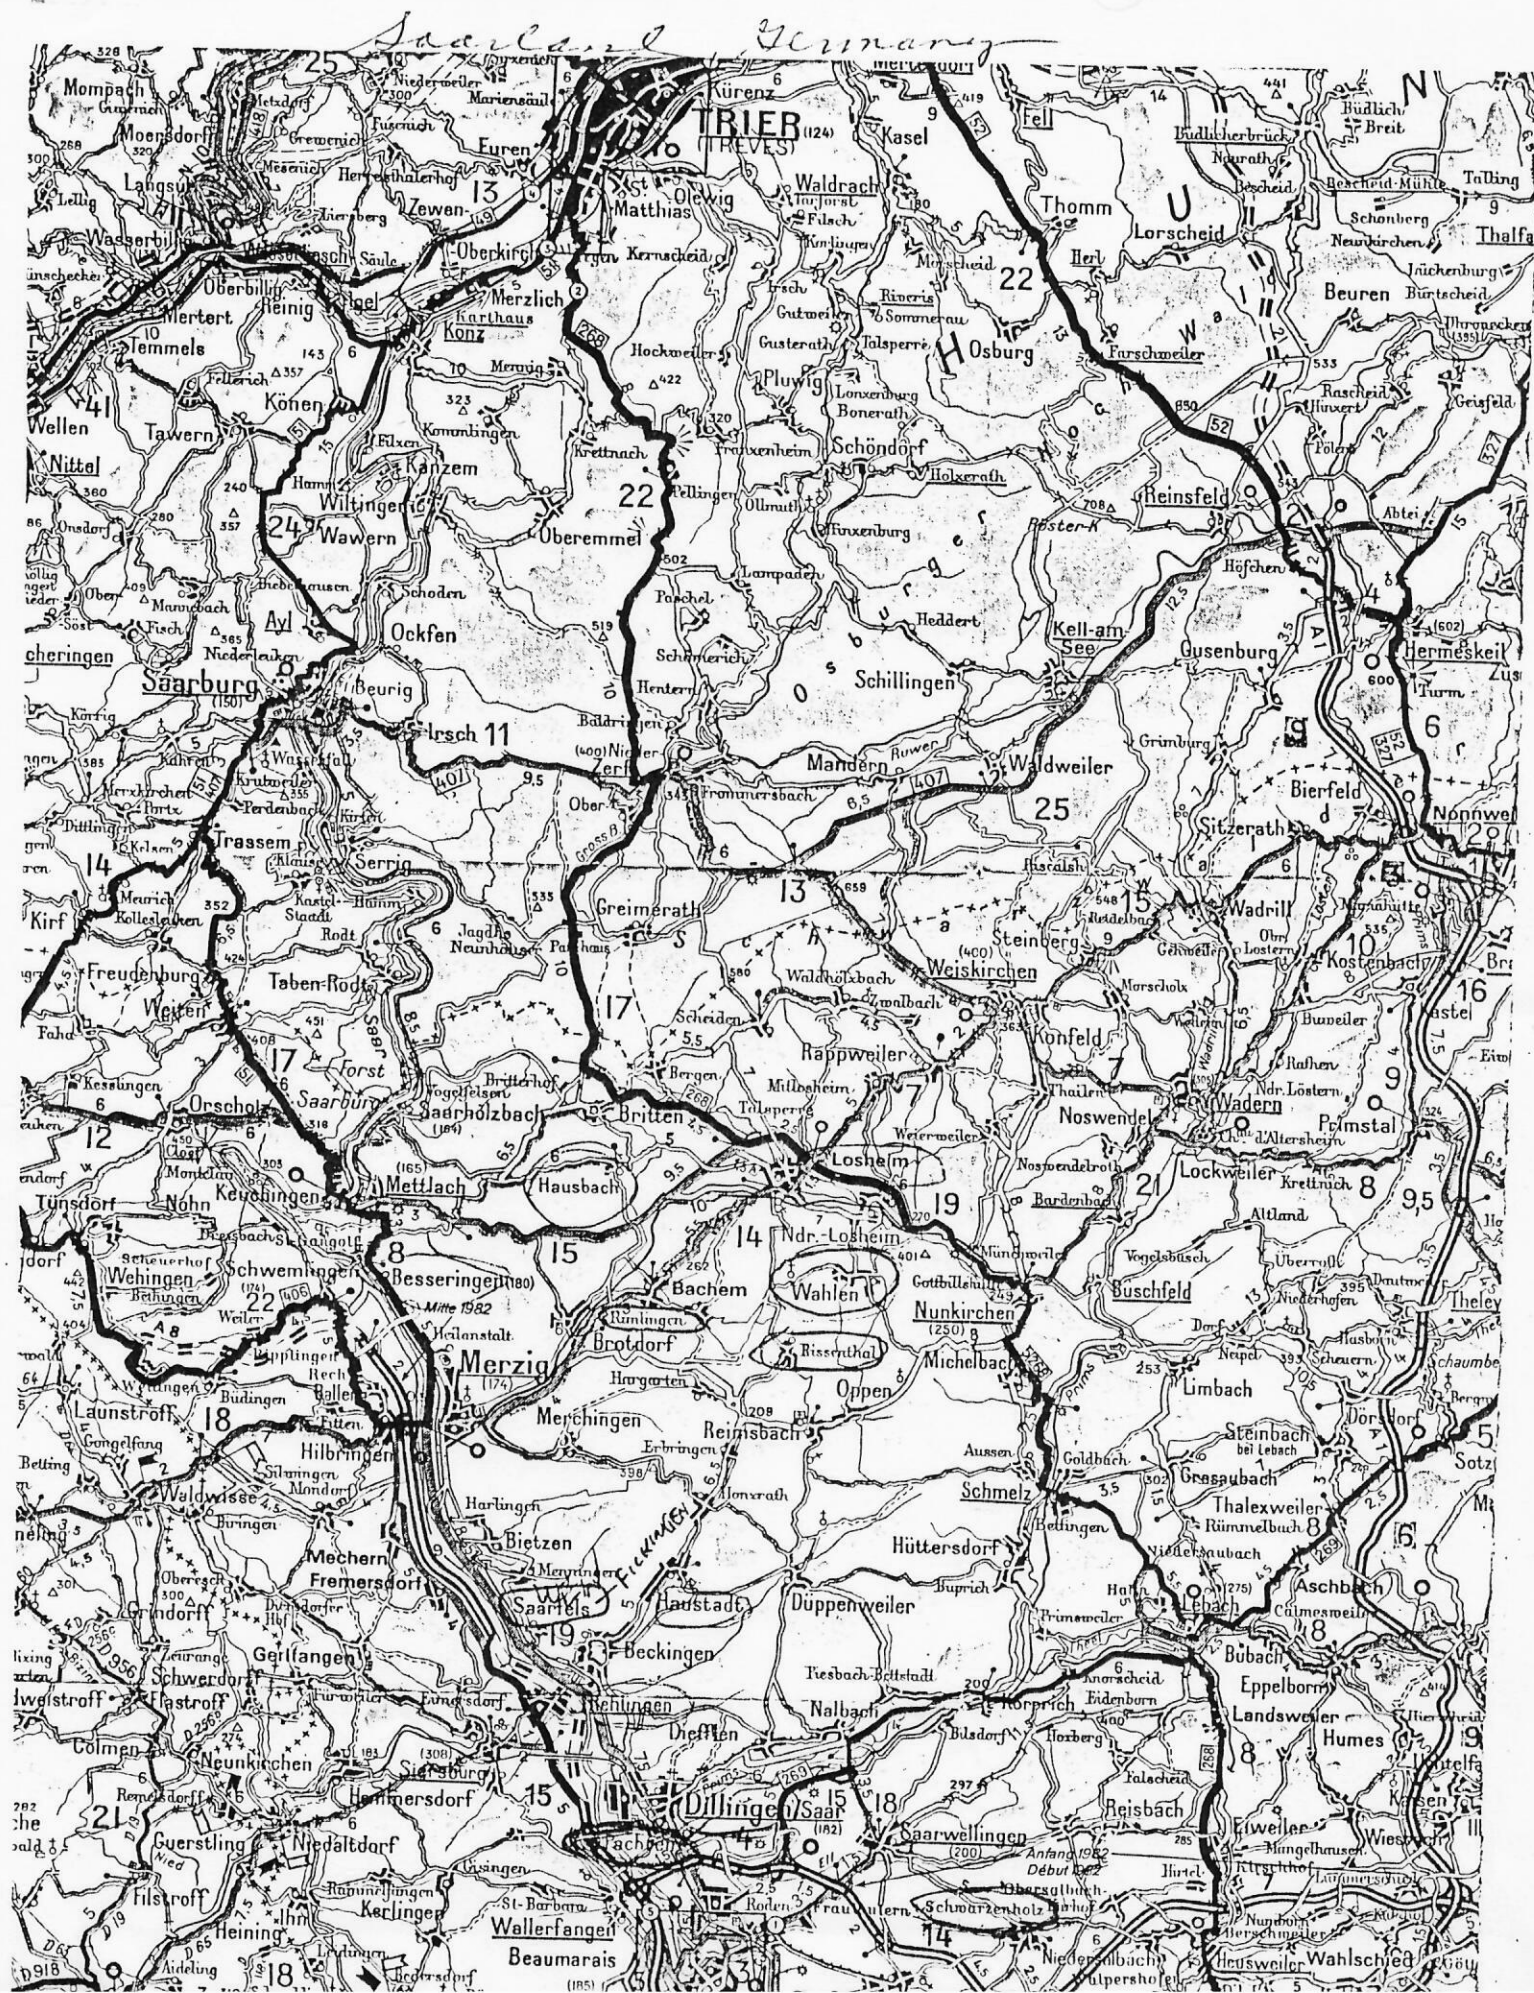

Michael & I hope to make a trip over to Germany in several year & I'd love to see these towns. Most are now industrialized but would still be fun.

You are very fortunate to be living near Chicago & have access to all those records although the civil records people aren't very cooperative. You can't look thru the records yourself so you have to depend on them. You might be interested in these two sources-

Genealogy Unlimited, 789 S. Buffalo Grove Rd., Buffalo Grove, Illinois
(handle books & supplies)

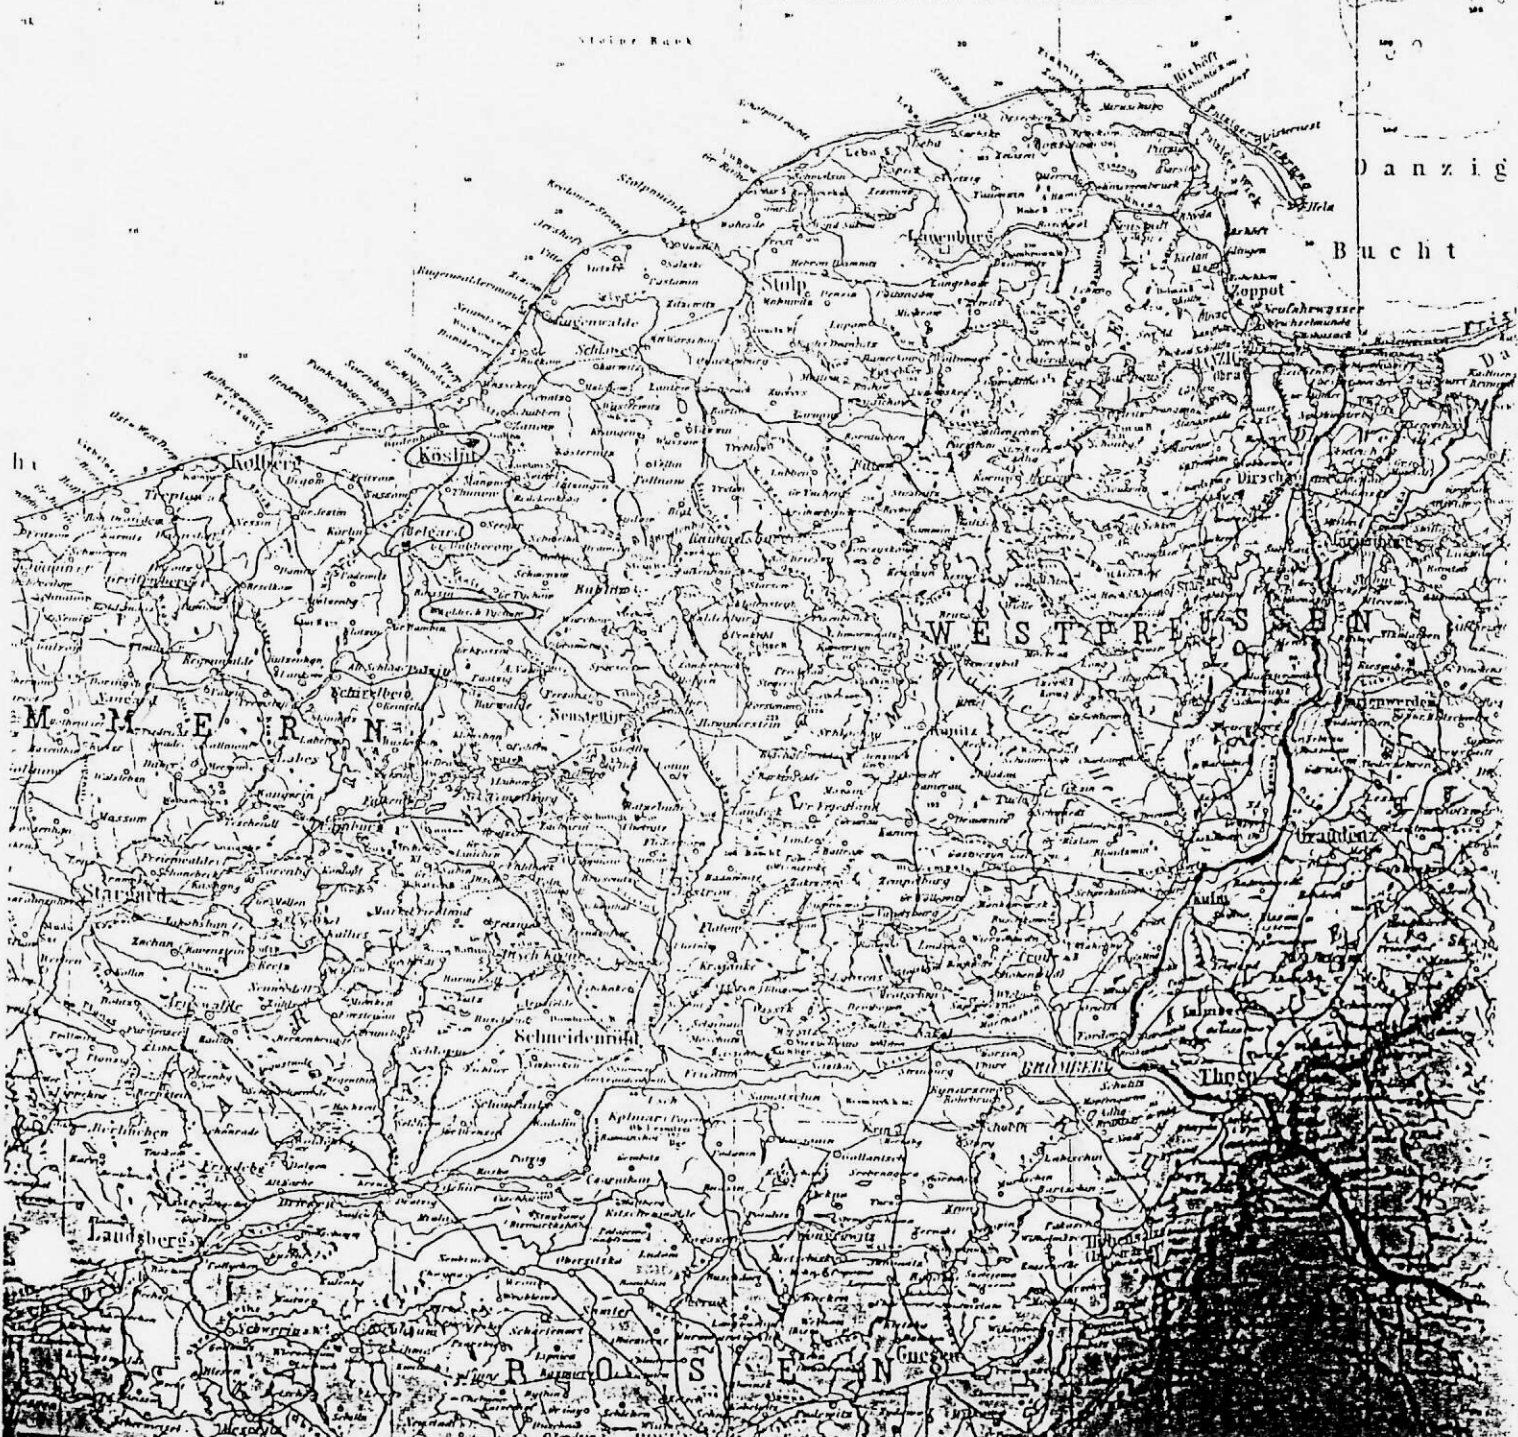

Polish library & Museum, 984 N. Milwaukee Ave. Chicago, Illinois 60622
(most of library materials are in Polish!!).

I have a lot of information but not a lot that you might be in need of-
I don't seem to even have my own Baptismal record.

THE SECOND GENERATION

THE WILLIAM & JOSEPHINE COSBY FAMILY (NEE-JESKE)

THEIR MOVE TO BOGOTA, COLOMBIA --SEPT., 1959-Dec. 1961

We arrived in Bogota, Colombia in Sept. 1959. Our mission was to help train leaders for the Young Christian Worker movement there. We were there until Dec. 1961. The entire time we lived in a "Worker" neighborhood and learned much of the culture, poverty, feelings and aspirations of the people. Daily, children would come to the door for just a piece of bread. During our second year in Bogota, 3 Colombian girls came to live with us, one in order to save money to give to her poor sick mother, and the other 2 to get away from a problem of incest (one of the girls was the daughter of the other and it was the father of the older girl who made her pregnant.) These were very good people and we made for a happy family.

Bill taught English at a government-run school for adults, and was able to get a couple of scholarships for our worker friends, thereby enriching their futures.

Among Bill's students was the secretary to the then-Pres. of Colombia. Through him we were invited to take a trip to Santa Marta (on the Caribbean) on the Presidents private plane. So it wasn't all depression and Poverty!!

Bill's occupation in one thing or another has always been organizer or administrator. He has been working for the Federal government for 11 years in the ACTION office. This covers VISTA & PEACE CORPS. He has been Trainer, Program Office and now is State Program ~~XXX~~ Director for Massachusetts and New Hampshire. Incidentally, VISTA which ~~XXXXXX~~ is his responsibility, is the Federal government's volunteer program. They give grants and help develop programs where poverty is.

Susan Renee

Susan has been in 'Beauty Pageants' for a number of years.

In 1982 she was first runner up in the Miss U.S.A. contest. Susan has been Miss Arapahoe, Miss Englewood, Miss Littleton, Colorado 1983. In 1983 she was also 4th in the Miss Colorado contest. Her talent is 'Operatic singing. In the spring Denise (her mom) drove her out to Hollywood as 'Debra Moffit'. 'Miss America 1983' called and asked her to come and stay with her. She was asked to be a back-up singer for Michael Jackson and his group and travel on the road for a year, but she refused. That would not have been the best for her voice.

Susan went to Hong Kong, Thailand, etc. for 20 days modeling California fashions and singing. Last week she was in Mexico with Miss Universe, Miss Louisiana, Miss Mexico and Miss U.S.A.. They have been traveling from city to city endorsing shoes. They have 2 body guards for each girl and they even stand guard outside their rooms at night. They've been flying in a luxury private plane and everywhere they go people scream and try to touch them.

Susan has been background on "The Young & The Restless" & "Days of Our Lives" soap operas & singing on a Catholic TV show (cable) which unfortunately closed. She's supposed to get a contract in Mexico.

- 8th Child: Philip - (K-7) King & Walsh Middle, Framingham, Mass. He
is in 7th grade.

P. S. You will notice that each child from the 3rd to the
8th have a First Communion date on the anniversary of Baptism.
This was done on purpose to re-inforce for ~~them~~ the belief
that Holy Communion enriches the spirual life begun at
Baptism. All along the way the priests & nuns involved
were great in using the occasion to teach the other children
& in making the day all the more significant for our children.
Joe's two dates came close (by accident) & it was then that
we realized the opportunity to teach our children an im-
portant thing in their faith. Therese's dates are different
because the school was also involved in her Communion pre-
paration & we didn't think it would be fair to her to make
her wait an additional 4 months just to make sure the dates
coincided. However, we were successful with the rest.

THE THIRD GENERATION

THE WILLIAM & JOSEPHINE COSBY FAMILY (NEE-JESKE)

THEIR CHILDRENS EXTRA CURRICULAR (as of May 15, 1985)

- 1st child: Joseph - Joe has spent most of his time the 3 years since college graduation in pro-life, pro-family activities, He's been involved in 4 political campaigns, efforts to close abortion clinics, and a local campaign to get prayer back into school. In the prayer campaign he appeared on local TV and radio shows - both in debate and in answering people's phone calls. the past 2 years he's been chairman of a local group started by Bill (Committee for a Democratic Response) which both informs the community of pro and anti-family issues and also is involved in getting politicians elected who will serve the interest of families better. He is also involved in handicap issues thru lobbying, etc.
- 2nd child: Therese - Therese broke her leg in Nov. 1971 and remained in a cast until April, 1972. - In her last year of college she was named to the list of Outstanding College Seniors, and later to Outstanding Young of America in 1983. - In her junior & senior years she was a Resident Assistant in one of the dorms helping the students with whatever personal problems.

In college he coached a girl's hockey intra-mural team for 2 years, as well as playing on a boy's intra-mural hockey team himself. Since college he continues to fill much of his spare time playing golf, basketball, hockey and whatever else comes his way. His job involves a lot of traveling throughout New England, and even recently to Detroit, Michigan.
